

## TASK 1&2:

```
C:\WINDOWS\system32\cmd.exe
Even numbers in list are :
2      4      6      8      10     12     14     16     18     20     22     24     26     28     30
      32     34     36     38     40     42     44     46     48     50     52     54     56     58
      60     62     64     66     68     70     72     74     76     78     80     82     84     86
      88     90     92     94     96     98     100

Odd numbers in list are :
1      3      5      7      9      11     13     15     17     19     21     23     25     27     29
      31     33     35     37     39     41     43     45     47     49     51     53     55     57
      59     61     63     65     67     69     71     73     75     77     79     81     83     85
      87     89     91     93     95     97     99

Odd numbers in list are :
1      2      3      4      5      6      7      8      9      10     11     12     13     14     15
      16     17     18     19     20     21     22     23     24     25     26     27     28     29
      30     31     32     33     34     35     36     37     38     39     40     41     42     43
      44     45     46     47     48     49     50     51     52     53     54     55     56     57
      58     59     60     61     62     63     64     65     66     67     68     69     70     71
      72     73     74     75     76     77     78     79     80     81     82     83     84     85
      86     87     88     89     90     91     92     93     94     95     96     97     98     99
      100

Maximum number in list is : 100

Minimum number in list is : 1
```

```
The names whose length is less than 4 are :
Aum

The names whose length is equal to 3 are :
Aum

The names in ascending order are :
Aum
Deepak
Dhoni
Jasprit
Kohli
Mahendra
Rohit
Saini
Shikhar
Suresh
```
